Eastbound and Westbound Lanes Restricted on Pima St. Between Rosemont Blvd. and Santa Rosa Ave.

(1600 hours) Tucson Water and their contractor, Tricon, are repairing two service lines on Pima St. between Rosemont Blvd. and Santa Rosa Ave. Lane restrictions in the eastbound and westbound travel lanes will reduce traffic to a single lane in each direction on Pima St. during the repair process. Water service to area customers will not be affected. The work is expected to be completed by July 8, 2016.

Motorists in the area are asked to exercise additional caution in the area and be prepared for traffic delays.
